

2017 AAU Boys Spring/Summer Season

The 2017 Boys 3rd-12th Grade Spring Rosters are below beginning on page-3. Please find your team and review all of the season information provided below. If you are not going to be able to accept a roster spot, please inform us ASAP.

We tried to find a spot for most all of the boys from tryouts. Several of the players just need more time in the gym with practices and games. We believe in keeping our rosters together over a long period of time and moving players to the appropriate teams when the opportunity arises.

The season will begin next week at your first scheduled practice day.

Playing Experience:

Vision: The vision of the club is to assemble teams of talented players that excel in a team setting and play well together. Where other teams regularly look to add "high profile" players to win tournaments, we will succeed through hard work and continuing to improve the skill set and basketball IQ of the players on our rosters. This strategy makes our club unique---anyone can win by assembling the 7 best players from around the state or country---but it's a special experience to win because of hard work and dedication.

Team Structure: The MWA Elite Basketball Club has three levels of teams within the club structure. By having different level teams within the same club, it offers the opportunity to move team levels, within the same club.

National-(Graduation Year): The National teams will have the opportunity to play in local Midwest Athletics sponsored events, out of town events (Lansing, Grand Rapids, etc.) and out of state events (IN, IL, OH, as well as East or Southern States). This is the highest and most elite level of the club.

State: State teams will play in local Midwest events and local tournaments as well as out of town tournaments (Lansing, Ann Arbor, Grand Rapids, etc.).

Local-(Local) Teams will play locally and have shorter seasons. Local teams will have six mini-seasons that coincide with the AAU Detroit Leagues, hosted by Midwest Athletics.

State/National Teams will play a local, regional event calendar and can play in AAU Nationals with the MWA Elite. The 2017 Teams will practice and play March 20th to July 30th. High School teams will have some down time in June to compete with their perspective school team.

Local Teams will play March 27-June 4 and have the opportunity to return for the Summer Session June 26-August 3, 2017.

The following provides detailed information regarding Club Leadership Team, Vision, Player Expectations, Practice and Skills Training as well as season and uniform fees and payment options.

Coaching: The club prides itself in having some of the best youth basketball coaches in the area, with collegiate or high school experience. We try and distnace the club from parent coaches, but if a parent coach is hired, they will have to have extensive coaching and/or playing experience.

Season Fees: The following fees are required for participation in the 2017 Season:
